**Official Order
of the
Texas Commissioner of Workers' Compensation**

Date: 9/30/2021

Subject Considered:

Safety National Casualty Corporation
1832 Schuetz Road
Saint Louis, Missouri 63146

Consent Order
DWC Enforcement File No. 27057

General remarks and official action taken:

This is a consent order with Safety National Casualty Corporation (Safety National). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Safety National.

Waiver

Safety National acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Safety National waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Safety National holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to TEX. INS. CODE §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.

2. Safety National was classified as "average" tier in 2009, 2010, 2012, 2014, 2016, and 2018 Performance Based Oversight (PBO) assessments. Safety National was not selected to be tiered in the 2007 PBO assessment.

Failure to Timely Initiate Payment of Temporary Income Benefits

3. On [REDACTED] Safety National received notice of an injury to an employee.
4. The first day of disability for the injured employee began on [REDACTED]. The eighth day of disability accrued on [REDACTED].
5. Safety National was required to initiate or dispute temporary income benefits (TIBs) either 15 days after it received written notice of the injury or seven days after the accrual date, whichever is later. In this case, the latest date was [REDACTED].
6. Safety National issued the initial TIBs payment totaling [REDACTED] on [REDACTED], which was 41 days late. The subsequent five weeks of TIBs totaling [REDACTED] for the period of [REDACTED] to [REDACTED] was also issued on [REDACTED].

Assessment of Sanction

1. Failure to provide appropriate income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;

- to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; and other matters that justice may require, including the size of the company or practice.
4. DWC found the following factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e) to be mitigating: promptness and earnestness in responding to DWC; the claim was initially submitted as a no-lost time claim by the employer and the carrier was not made aware of lost time until over a month after the first notice of injury; and the injured employee obtained and retained full-time employment during the period under review, which calls into question the date of disability.
5. Safety National acknowledges it communicated with DWC about the relevant statutes and rules it violated; the facts establish that the administrative violation occurred; and the proposed sanction is appropriate, including the factors DWC considered under TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).
6. Safety National acknowledges that, in assessing the sanction, DWC considered the factors in TEX. LAB. CODE § 415.021(c) and 28 TEX. ADMIN. CODE § 180.26(e).

Conclusions of Law

1. The commissioner has jurisdiction over this matter pursuant to TEX. LAB. CODE §§ 402.001, 402.00114, 402.00116, 402.00128, 414.002, 414.003, 415.002, and 415.021.

3. Safety National has knowingly and voluntarily waived all procedural rights to which it may have been entitled regarding the entry of this order, including, but not limited to, issuance and service of notice of intent to institute disciplinary action, notice of hearing, a public hearing, a proposal for decision, a rehearing by the commissioner, and judicial review.
4. Pursuant to TEX. LAB. CODE § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to TEX. LAB. CODE § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.
6. Pursuant to TEX. LAB. CODE § 409.021(e) and 28 TEX. ADMIN. CODE § 124.3, an insurance carrier or its representative commits an administrative violation if it fails to pay benefits, file a Notice of Denial on the compensability of a claim, or, as applicable pursuant to §409.021(a-3), file a Notice of Continuing Investigation within 15 days after it receives written notice of the injury.
7. Safety National violated TEX. LAB. CODE §§ 409.021 and 415.002(a)(20) each time it failed to timely initiate payment of TIBs.
