Property & Casualty Insurance Company of Hartford
One Hartford Plaza
Hartford, Connecticut 06155

Consent Order
DWC Enforcement File No. 29802

General remarks and official action taken:

This is a consent order with Property & Casualty Insurance Company of Hartford (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was not selected to be tiered in the 2007, 2009, 2010, and 2012 Performance Based Oversight (PBO) assessments. Respondent was classified as "average" tier in the 2014, 2016, and 2018 PBO assessments. Respondent was classified as "high" tier in the 2020 PBO assessment.

Failure to Timely Pay Death Benefits

3. Respondent was required to pay weekly death benefits to an injured employee's beneficiary for the period of [REDACTED] through [REDACTED]. Respondent failed to timely pay death benefits, as follows:

	Payment Period	Date Due	Date Paid	Days Late
1.	[REDACTED]	[REDACTED]	[REDACTED]	3
2.	[REDACTED]	[REDACTED]	[REDACTED]	7

4. Respondent paid [REDACTED] in late death benefits.

Assessment of Sanction

1. Failure to provide income benefits in a timely and cost-effective manner is harmful to injured employees and the Texas workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with EDI requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;
 - self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.

3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; whether the administrative violation had a negative impact on the delivery of benefits to an injured employee; the history of compliance with EDI requirements; and other matters that justice may require, including the size of the company or practice.
4. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be mitigating: the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act, and prompt and earnest actions to prevent future violations. Specifically, a system error caused one of the beneficiaries to be overpaid, and others not to receive payment. The error was investigated and identified, and a system correction was completed.
5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
