

No. **2024-8589**

**Official Order
of the
Texas Commissioner of Workers' Compensation**

Date: 3/27/2024

Subject Considered:

Employers Preferred Insurance Company
PO Box 14791
Lexington, Kentucky 40512-4791

Consent Order
DWC Enforcement File No. 33890

General remarks and official action taken:

This is a consent order with Employers Preferred Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

Waiver

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

Findings of Fact

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was classified as "poor" tier in the 2022 Performance Based Oversight (PBO) assessment. Respondent was classified as "average" tier in the 2020 PBO assessment. Respondent was classified as "high" tier in the 2018 Performance PBO assessment.

Failure to Timely Act on a Medical Bill

3. On [REDACTED], a health care provider (HCP) provided medical services to an injured employee. On [REDACTED], Respondent received a completed medical bill for \$ [REDACTED] from the HCP.
4. Respondent was required to act on the bill within 45 days of receiving it. The deadline to act was [REDACTED].
5. On [REDACTED], Respondent paid \$ [REDACTED] to the HCP, which was 155 days late.
6. On [REDACTED], Respondent paid \$ [REDACTED] in interest on the late medical bill, which was 58 days late.

Assessment of Sanction

1. Prompt payment of medical bills is imperative to DWC's goal of ensuring that injured employees have access to prompt, high-quality medical care. Failure to promptly pay medical bills harms medical providers economically, increases disputes and exhausts administrative resources in the workers' compensation system.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
 - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
 - the history and extent of previous administrative violations;
 - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
 - the penalty necessary to deter future violations;
 - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
 - the history of compliance with electronic data interchange requirements;
 - to the extent reasonable, the economic benefit resulting from the prohibited act; and
 - other matters that justice may require, including, but not limited to:
 - PBO assessments;
 - prompt and earnest actions to prevent future violations;

- self-report of the violation;
 - the size of the company or practice;
 - the effect of a sanction on the availability of health care; and
 - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; the penalty necessary to deter future violations; evidence of heightened awareness of the legal duty to comply with the Act and DWC rules; the penalty necessary to deter future violations; history of compliance with electronic data interchange requirements; and other matters that justice may require such as Respondent's 2022 "poor" PBO status.
 4. DWC is aware of no mitigating factors pursuant to Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e): Respondent instituted additional training to ensure compliance.
 5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
 6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.

Code § 133.240(l) all payments of medical bills that an insurance carrier makes on or after the 60th day after the date the insurance carrier originally received the complete medical bill shall include interest calculated in accordance with § 134.130 of this title without any action taken by the division. The interest payment shall be paid at the same time as the medical bill payment.
10. Respondent violated Tex. Lab. Code § 415.002(a)(20), and 28 Tex. Admin. Code § 133.240(l) by failing to timely pay interest on a late medical bill payment.
