

No. 2024-8731

**Official Order  
of the  
Texas Commissioner of Workers' Compensation**

**Date: 7/9/2024**

**Subject Considered:**

Old Republic Insurance Company  
307 North Michigan Avenue, 17th Floor  
Chicago, Illinois 60601

Consent Order  
DWC Enforcement File No. 33850

**General remarks and official action taken:**

This is a consent order with Old Republic Insurance Company (Respondent). The commissioner of the Texas Department of Insurance, Division of Workers' Compensation (DWC) considers whether DWC should take disciplinary action against Respondent.

**Waiver**

Respondent acknowledges that the Texas Labor Code and other applicable laws provide certain rights. Respondent waives all of these rights, and any other procedural rights that apply, in consideration of the entry of this consent order.

**Findings of Fact**

1. Respondent holds a certificate of authority issued by the Texas Department of Insurance to transact the business of insurance pursuant to Tex. Ins. Code §§ 801.051-801.053 and is licensed to write multiple lines of insurance in Texas, including workers' compensation/employers' liability insurance.
2. Respondent was classified as "average" tier in the Performance Based Oversight (PBO) assessments between the years of 2018 and 2022.

Failure to Timely Pay or Deny a Request for Reimbursement of Travel Expenses

3. On [REDACTED], Respondent received a request for reimbursement of travel expenses for services provided between [REDACTED], through [REDACTED].
4. Respondent was required to respond by the 45th day from receipt, or by [REDACTED].
5. Respondent reimbursed \$ [REDACTED] to the employee 30 days late on [REDACTED].
6. Further, on [REDACTED], Respondent received another travel reimbursement request for services provided between [REDACTED], through [REDACTED].
7. Respondent was required to respond by the 45th day from receipt, or by [REDACTED].
8. Respondent reimbursed \$ [REDACTED] to the employee 122 days late on [REDACTED].

**Assessment of Sanction**

1. Failing to timely respond to a reimbursement request increases the likelihood of disputes and impedes efforts to resolve them promptly and fairly. Further, failure to timely act on a reimbursement request is economically harmful and circumvents the Texas workers' compensation system and the roles of its system participants.
2. In assessing the sanction for this case, DWC fully considered the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e):
  - the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act;
  - the history and extent of previous administrative violations;
  - the violator's demonstration of good faith, including actions it took to rectify the consequences of the prohibited act;
  - the penalty necessary to deter future violations;
  - whether the administrative violation had a negative impact on the delivery of benefits to an injured employee;
  - the history of compliance with electronic data interchange requirements;
  - to the extent reasonable, the economic benefit resulting from the prohibited act; and

- other matters that justice may require, including, but not limited to:
    - PBO assessments;
    - prompt and earnest actions to prevent future violations;
    - self-report of the violation;
    - the size of the company or practice;
    - the effect of a sanction on the availability of health care; and
    - evidence of heightened awareness of the legal duty to comply with the Texas Workers' Compensation Act and DWC rules.
3. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be aggravating: the seriousness of the violation, including the nature, circumstances, consequences, extent, and gravity of the prohibited act; the history and extent of previous administrative violations; and the penalty necessary to deter future violations.
  4. DWC found the following factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e) to be mitigating: the violator's demonstration of good faith, including paying on partially redundant travel reimbursement requests.
  5. Respondent acknowledges communicating with DWC about the relevant statute and rule violations alleged; that the facts establish that the administrative violation(s) occurred; and that the proposed sanction is appropriate, including the factors DWC considered under Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).
  6. Respondent acknowledges that, in assessing the sanction, DWC considered the factors in Tex. Lab. Code § 415.021(c) and 28 Tex. Admin. Code § 180.26(e).

4. Pursuant to Tex. Lab. Code § 415.021, the commissioner may assess an administrative penalty against a person who commits an administrative violation.
5. Pursuant to Tex. Lab. Code § 415.002(a)(20), an insurance carrier or its representative commits an administrative violation each time it violates a DWC rule.

If the insurance carrier does not reimburse the full amount requested, partial payment or denial of payment shall include a plain language explanation of the reason for the reduction or denial.
8. Respondent violated Tex. Lab. Code § 415.002(a)(20) and 28 Tex. Admin. Code § 134.110 by failing to timely act on two requests for reimbursement.
